<b>Builder</b>	Grand Soleil

This sailboat is characterized by a unique design of the hull that ensures a great stability and dynamic length. The sail plan makes the boat more efficient in medium-light winds and low seas thanks to a generous bow triangle and an accentuated J. In addition, an efficient rudder blade allows for easy maneuvering and precise steering.

The sundeck is large with enough space to kick back and sunbathe. For those who enjoy alfresco dining there's a folding table that doubles as a sun lounger, while for those who like shade, a Bimini and sprayhood offer full sun protection. This is accompanied by an enjoyable entertainment system. On board a full range of amenities and equipment will entertain you and make your luxury stay unforgettable.

Entertainment (to be charged):

- wifi (with the possibility of unlimited connection)
- n. 2 kids electric sea bob
- n. 1 adult electric sea bob
- n. 2 SUP inflatable
- n. 1 Sailing dinghy ( optimist)
- n. 1 electric surf hydro jet
- n. 1 inflatable platform 3.0 mt x 1.5 mt.
- Various snorkeling equipment
- Various fishing equipment

The interior layout is in perfect harmony with the geometry of the deck. The design and the different material palettes characterize the interiors with a fresh, elegant and cozy style. The boat accommodates up to 7+2\* guests in three luxurious ensuite cabins with a dedicated shower per stateroom:

One Master Suite with a double bed

One VIP room with a double bed

One Guest room with 2 single beds + a third additional pullman bed

All rooms are air-conditioned and all toiletries will be provided for each guest.

Two children can be accommodated in the dinette
